Notes

Player: Andreas
Chronicle: Dead Hand

SPECIALTIES

Occult (Necromancy)
Technology (Surveillance Systems)

Age 48

Date of birth 1984, September

Appearance

A black man, from the south. Rugged look, wearing lots of accessories like pendants, rings, wristbands; a few faded tattoos on arms and chest. Dreadlocks usually tied in a ponytail, beard unkempt.

Distinguishing features

Lots of pendants and charms of Haitian origin; one specific charm in the form of an old voodoo doll hangs on his belt.

History

A divorced hipster man of Louisiana, touched by Haitian voodoo, but found passion in cybersecurity. A known figure among smugglers and shady operatives. One leg in the cyberworld, yet hesitant to let go of his late mother's faith. His house is decorated with various trinkets and decorations he managed to obtain.
